## Why Choose Ascend?

**No Hub Required** - Control lights from anywhere through the free InterMatic Ascend app.

**Quick Installation** - Choose from pre-programmed templates to make set-up a breeze.

**Flexible Applications** - A 1 HP capacity allows Ascend Smart to control interior and exterior lighting as well as fans, air conditioning units and other light commercial loads.

**Voice Control** - Ascend Smart is compatible with Amazon Alexa and Google Assistant.

### Terms and Conditions
