

Enhance your sales with **Color Coded** Locking Devices!

Eaton's Arrow Hart locking devices have been enhanced with **color coding** to provide you a quick, clear and easy way to **identify your circuit voltage.**

Features & benefits:

- Six color codes consistent with IEC 60309 standard to identify voltage ratings at a glance
- Ergonomic ultra grip design on plugs and connectors are easier to handle during use
- Double dovetail cord grip provides superior cord alignment and clamp force for wire retention

Eaton distributors who submit an order of \$2,000 of Color Coded Locking Devices
(in any combination, full product listing on following pages)
from April 13, 2020 through August 31, 2020 will receive a Color Coded Locking wire rack display**

Offer valid April 13, 2020 through August 31, 2020 or while supplies last.

While Supplies Last, Maximum (1) display per distributor location

Disclaimer: QUALIFYING PRODUCTS. "Qualifying Products" include Arrow Hart Color Coded Locking Devices. Qualifying Products must be purchased from Eaton. Purchases of Qualifying Products must be made during the above promotion period. Purchases of Qualifying Products that are placed during the above promotion period and ship after the offer ends are eligible. Promotion valid in the USA only. **PROMOTION RESTRICTIONS.** This offer is valid only from April 13, 2020 through August 31, 2020, while supplies last. You must be an Eaton distributor at the time of purchase of Qualifying Products to obtain this promotional offer. All others do not qualify and Eaton reserves the right to refuse or cancel purchases made by such purchasers. Purchases of Qualifying Products made via any channel other than Eaton direct purchases are not eligible for this promotion. Maximum of (1) gratis Color Coded Locking wire rack display per distributor location. All purchases under this promotion are subject to Eaton's Terms and Conditions, see www.eaton.com. Qualifying Products returned for cash or credit refund are not eligible for this promotion and, upon such return, Eaton reserves the right to cancel the products issued to you under this promotion. Promotion valid in the USA only. **FULFILLMENT.** One (1) gratis Color Coded Locking wire rack display will be mailed to Eaton distributors who purchased a minimum order of \$2000 of Qualifying Products during April 13, 2020 through August 31, 2020. Please allow eight (8) weeks after Eaton's receipt of proper documentation, as described in promotional announcement, for Eaton to mail you the promotional product. You may decline to submit the request for the Color Coded Locking wire rack display. **GENERAL TERMS.** This offer is void where prohibited or restricted by law. This offer may not be combined with other Eaton promotions. Eaton is not responsible for an inability to read the terms of this promotion due to the fact that these terms are displayed in the English language. Eaton is also not responsible for any loss, destruction, or theft of winner's Color Coded Locking wire rack display. Eaton reserves the right to change without notice the Terms and Conditions of this promotion or modify or end this promotion at any time without notice.
