

ARLINGTON INNOVATION ON DISPLAY

New dynamic displays that provide your customers with a variety of Arlington's innovative, time-saving products. These displays include customer favorites along with Arlington's newest products.

- Show customers you stock the products they need. No more hiding your most innovative product line in the warehouse!
- Easily accommodates the most popular products and accessories
- Includes a hassle-free set-up. Your Arlington Representative will set-up your display so you can start selling!

- Displays come in two sizes to accommodate any size counter area
- Custom planogram provided based on your product selection*
- Both displays take up a small amount of space, but produce big sales
- Mix and match your Arlington favorites! Thousands of products from which to choose
- All displays include a variety of signage options

Several Counter top displays to choose from

Free Arlington display (\$350.00 value) with your next order*
